**SEPTEMBER 12-13, 1 PM - 6 PM**

I am reaching out to you today because we are excited to announce that the Neighborhood Co-op Grocery Farm Crawl is happening again this September! We are looking for sponsors to further our mission to support a healthier food system in southern Illinois.

Monies raised by this event go directly to Food Works, a non-profit organization facilitating the development of a regional food economy in southern Illinois. Every ticket purchased and any additional funds contributed will go to support this great organization.

### ***About the Farm Crawl***

Farm crawls/farm tours are among the most enjoyable and effective forms of agritourism because they immediately engage community members with local growers. Farmers have a chance to share the successes and history of their farms, and community members get to learn about the crops and/or livestock raised along with unique challenges facing farmers. Participating farms on our crawl are located all around the southern Illinois region. The Co-op will be selling car passes that allow visitors access to participating farms for one day or the whole weekend.

### ***Regional Focus***

As in previous years, we are expanding our reach by focusing on farms in different sectors of our region for both days of the 2026 Farm Crawl, Saturday, September 12 and Sunday, September 13.

### ***Your Support***

The farmers on the Crawl volunteer 100% of their time to this event. Your contribution will help us cover costs to promote the event, provide Farm Crawl materials like car passes and event booklets, bring awareness to the local food system in our region, and most importantly, raise much-needed money for Food Works' non-profit mission.

Please review the following pages to learn more about sponsorship opportunities! Please feel free to contact us with any questions at [emily@neighborhood.coop](mailto:emily@neighborhood.coop).
